Dear Sir:

Have you any of those engraved coins of Napoleon III, either in silver or copper, done after the Franco-Prussian War, showing the emperor with a German helmet, yachting cap, etc.? If so, would you mind sending them to me on approval. I only wish the engraved ones, not the pieces struck from dies afterwards, nor do I care for those in copper with this type of helmet:

Very truly yours,

Dear Sir:

The engraved coins of Napoleon III arrived a short while ago and we are keeping all but three of these. We are herewith returning Nos. 1, 3 and 4, which we do not care for. We have directed our bank to send you a check for 170 francs. This you should receive about a week after you receive this letter. I beg to thank you for sending the pieces on.

Very truly yours,
